

November 14, 1983

Submission of the Revision to the State Implementation Plan for  
the State of Nebraska for Incorporation by Reference

Office of the Federal Register, EPA

Office of the Federal Register

Please add this document to the Nebraska Implementation Plan file and tab  
it in the appropriate sequence.

Identification of the Document:

Nebraska State Implementation Plan (SIP) Revision to comply with federal  
requirements for new source review (NSR); this includes both the Part D  
requirements for nonattainment areas and prevention of significant deter-  
ioration (PSD) in attainment areas. The SIP revision was submitted by  
the Governor of Nebraska on May 23, 1983.
